brown bag discussion
telling our story, part III

monday, october 27, 2014, 3:30-5:00 pm, MS-411

**Mesa College has formally launched the accreditation
Self-Evaluation process!**

We currently have over 50 members serving on the Accreditation and Standards Committees, capturing the true Mesa spirit of inclusion and collaboration. The college community is invited to come join the dialogue to help shape the writing of the Self-Evaluation and to get the latest accreditation updates. There will be an opportunity to explore the revised Standards with the Accreditation Committee Tri-Chairs and provide your feedback.
