

RESOLUTION 03.11.1 – IMPLEMENT A VOTER REGISTRATION SYSTEM:

Move: Holton

Second: Wales

Whereas, the legislature has directed the community colleges to use their course registration systems to encourage students to register to vote, and

Whereas, the San Diego Community College District (SDCCD) is not currently doing so, and

Whereas, the California Secretary of State's office has endorsed *California Community Colleges Student Voter Registration Project: Requirements Specifications for Student Voter Registration Data Interface, (Registration document)* which outlines a process for collecting information about students who would like to be sent voter registration materials,

Be it therefore Resolved, that the Academic Senate for San Diego Mesa College asks the Board of Trustees of the SDCCD to endorse *Registration document*, which is the California Secretary of State's process for collecting data from students who wish to be sent voter registration information, and

Be it further Resolved, that the Academic Senate for San Diego Mesa College asks the Board of Trustees of the SDCCD to direct the relevant staff members to implement this voter registration system as soon as possible.
