

Resolution 10.3.1 – Shared Governance: Chun

First Reading: March 22, 2010

Mover: Aulani Chun

Second: Terrie Teegarden

Whereas shared governance at Mesa College has ensured that major decisions are made with open and honest dialogue among all constituents including administration, faculty, staff and students;

And whereas this spirit of shared governance is being threatened by the lack of such dialogue,

Be it resolved that the Mesa Academic Senate reaffirm its commitment to the spirit of shared governance,

And be it further resolved that a college-wide review and workshop of shared governance processes and representation practices be established.

Presented to the Academic Senate: March 22, 2010

Approved by the Academic Senate: April 12, 2010
