**Resolution 12.11.1: SDCCD Process of Approving and Implementing SB 1440 Degrees (L. Johnson)**

1<sup>st</sup> Reading: November 5, 2012

Mover: Katie Holton

Second: Terrie Teegarden

Whereas SB 1440 has mandated that new AA/T and AS/T degrees be created;

and Whereas the SDCCD has been slow in the implementation of these degrees;

and Whereas the degrees that counselors will advise students about in the near future have not yet received state approval so the counseling department is concerned that they may misadvise students as to the correct courses to take to achieve their educational goals; and

Whereas the number of these degrees that will be created for fall 2014 will see a dramatic increase

Resolved that the SDCCD develop a plan where the required state approval be obtained before the implementation of the 2014 slate of SB 1440 degrees.

Presented to the Academic Senate: November 5, 2012

Approved by the Academic Senate: December 3, 2012
