

Resolution 17.9.4 – New Evaluation Tools for Librarians: (Gurganus)

1st Reading: September 25, 2017

Mover: Gurganus

Seconded: McLeod

Whereas the evaluation tool for librarians of the San Diego Community College District has not substantively changed for more than 20 years,

Whereas the nature of librarianship has changed dramatically during that time,

Whereas California Education Code § 87663 states, "In those districts where faculty evaluation procedures are collectively bargained, the faculty's exclusive representative shall consult with the academic senate prior to engaging in collective bargaining regarding those procedures";

Resolved: The Academic Senate of Mesa College support the San Diego Community College District Librarians to revised both the guidelines and appraisal tool to be used in the current contract negotiations to be used in future evaluation.

Presented to the Academic Senate: September 25, 2017
