

Resolution 16.2.2 – Faculty Computers: (Lou Ann Gibson/Becca Arnold)

1st Reading: February 8, 2016

Mover: McLeod

Seconded: Brothers

Whereas the district is obligated to provide equipment necessary for Faculty to effectively accomplish their duties; and

Whereas computers are an integral part of this equipment; and

Whereas many teachers engage in work-related activities on weekends or offsite at conferences; and

Whereas at present, San Diego Mesa College's practice of only guaranteeing working desktop computers necessitates teachers to purchase their own computer equipment;

Be it resolved that at the time of scheduled computer replacements, Faculty be given the choice of a laptop or a desktop as the replacement computer with supporting software equivalent to that provided to stationary computers.
