**BIOL 210A Peer Mentor
Edmund (Eddy) Kapelczak**

ekapelczak@sdccd.edu

Hi everyone! My name is Eddy and I am one of the peer mentors here at San Diego Mesa College.

I will be applying to transfer this fall and have high hopes to be accepted to one of our prestigious UC schools (San Diego preferred). I am majoring in biochemistry and plan to enroll in medical school after completing my bachelor's degree.

I have a huge passion for anything math or science-related and am excited to get to know each one of you.

Please feel free to reach out in the event you need any help whether that be with navigating future transfer plans or help with homework! My door (E-Mail in this case) is always open, and I am here to help! You can do this!
