

SAN DIEGO MESA COLLEGE  
STEM Conexiones

**PHYS 195 Peer Mentor**  
**Isabella Fiorini**

[ifiorini@sdccd.edu](mailto:ifiorini@sdccd.edu)

---

**Major:** Mechanical Engineering

**Academic/Career Goals:** My academic goals are to transfer either to UCSD or UCLA and obtain a bachelor's degree in Mechanical Engineering. My career goal is to join a leading company that works towards achieving sustainable development.

**On-campus involvement:** Being part of the STEM Peer Mentor Program is my first on-campus involvement and I am excited to be part of such an amazing group.

**Off-campus involvement:** Nothing related to the engineering field.

**Fun fact:** I use to be a law student in Brazil. I completed three years of my bachelor's degree, but I dropped out to move to San Diego.

**More about me:** I am originally from Brazil and I moved to the United States about 4 years ago. I am happy to live in such an amazing city like San Diego. I love going on hikes, to the beach, and anywhere I am surrounded by nature.
