

SAN DIEGO MESA COLLEGE
STEM Conexiones

CHEM 200 / 201 Peer Mentor
Jesus (Jesse) Gerardo

jgerardo@sdccd.edu

Year: 3rd year

Major: Chemical Engineering

Academic/Career Goals: My academic goals are to transfer to UCSD and obtain a bachelor's degree and master's degree in Chemical Engineering with a concentration in Nanotechnology. My career goals would be to join a leading company in the biotech or pharmaceuticals field.

On-Campus Involvement: 3rd semester Peer Mentoring

Achievements: San Diego Mesa College Dean's list 2018-2019.

Fun fact: I was in the United States Air Force
