Dear Student,

Great News! The US District Court recently issued a preliminary injunction allowing us to extend San Diego Mesa College's Summer CARES Act Emergency Aid to a broader group of students. The CARES Act provides emergency financial assistance to students for expenses related to the disruption of campus operations due to coronavirus.

For students that have already applied, we will roll your application over to the new process. No further action is needed.

San Diego City, Mesa and Miramar Colleges will use a portion of the CARES Act funds to provide grants directly to students. These funds are meant to help students pay expenses for technology, health care, childcare, course materials, rent, food, moving or other expenses incurred this semester.

In addition due to this recent change in guidelines and the overwhelming financial need of our students, the colleges may be making adjustments to the amount of the Summer 2020 CARES Act award in order to ensure we provide financial support to as many students as possible. We only ask that you apply if you have been affected by the COVID-19 campus closure and if you have not already received CARES Act emergency funding.

To request a grant:

1. Visit <https://bit.ly/sdcccdaresact>

Fill out the Cares Act Fund Grant request form; be sure to review the form carefully.

For reference your Student ID is: 0000695003

Your College of Record is: San Diego Mesa College

San Diego City, Mesa and Miramar Colleges remain committed to your success and we are here to help. We hope that these funds will provide some measure of relief during this unprecedented semester.

Thank you,
