Mesa College Earns Recognition as a Black-Serving Institution

I recently had the opportunity to join Ricky Shabazz, President of San Diego City College, for a KPBS interview highlighting the designation of both City College and Mesa College as Black-Serving Institutions. The conversation centered on what this recognition means, not just as a designation, but as a responsibility to intentionally serve, support, and advance Black student success across our campuses and our region.

[Click here](#) to listen the interview with KPBS.

As the Region X representative to the 3C2A Board, I am pleased to share the Pacific Coast Athletic Conference (PCAC) Fall Sport Report.

The report highlights a strong season across the conference, with championship performances, postseason appearances in every sponsored sport, and outstanding achievements by student-athletes and coaches. I am especially proud of **San Diego Mesa College**, whose teams, coaches, and student-athletes demonstrated exceptional excellence and leadership throughout the fall season.

Spring 2026 Pilot: 36-Hour Workweek

Beginning January 5 through April 3, the District will implement a pilot 36-hour workweek. Most campus and student service areas will follow a Monday to Thursday schedule, with offices closing at 1 p.m. on Fridays. Spring 2026 classes will meet as scheduled. This pilot is an opportunity to support employee well-being, strengthen service to students, and better understand how to align staffing with peak periods of need.

A dedicated webpage with details and a short survey will be available for employees to review information and share feedback throughout the pilot. [36-Hour Work Week webpage.](#)

Mesa College Accreditation Update: ACCJC Commission Meeting in January

The Accrediting Commission for Community and Junior Colleges will convene its January Commission meeting on January 14–15, 2026, at the Hyatt Regency Waikiki in Honolulu, Hawai'i. During this meeting cycle, the Commission will review San Diego Mesa College's 2025 Peer Review Team Report and take accreditation action in accordance with ACCJC policies and procedures. Following the Commission meeting and upon receipt of formal notification from ACCJC, I will share relevant outcomes and any next steps with the campus community, college constituencies, and governing board, as appropriate.

Meet the winner

We are thrilled to give a grand round of applause to our grand prize winner, **Danielle Seipel, in the Upcycling University Program Fall 2025 Student Design Competition.** Danielle is one of three outstanding students to earn the grand prize, recognized for an inspired design theme drawn from *Carnation, Lily, Lily Rose* by John Singer Sargent. Soft blush hues, deep nocturne blues, and warm neutrals—paired with luminous finishes—evoke the painting’s ephemeral light, while biophilic tones, sculptural forms, and layered lighting create a space that is poetically soft with a contemporary edge.

Intersession and Spring 2026

With the first week of Intersession completed, we do anticipate intersession 2026 enrollment to stabilize as FTES is now 314.6 with a headcount of 2,505. Compared to the same time last year for Intersession 2025, our FTES was 310.1 with a headcount of 2,531. The difference of 4 FTES is overall not a significant change when comparing year to year, and this is expected when comparing previous years' Intersession enrollment numbers. While the district did run the drop for non-payment process over the weekend, we are pleased to see a very quick rebound in our headcount and FTES numbers. Spring 2026 FTES is currently 5,379 and our headcount is 18,496. This is a very small increase of headcount by 70 students and 15 FTES compared to last week's enrollment. We welcome this positive news as this brings us 92.9% of the way to meeting our Spring 2026 enrollment goals.

We are pleased to announce that Leland Simpliciano will serve as Acting Title III HSI STEM Program Activity Manager while continuing his role as AANAPISI Program Activity Manager and Grant Director at San Diego Mesa College.

Leland brings extensive experience leading Title III MSI grants, with expertise in federal compliance, cross-campus collaboration, and equity-centered program development. Through his AANAPISI leadership, he has advanced student success initiatives, faculty engagement, and institutional capacity-building, while supporting regional collaboration and community partnerships that serve historically marginalized and underrepresented students.

In this role, Leland will provide leadership and oversight for the Title III HSI STEM grant, working closely with campus partners to support student success and ensure alignment and sustainability across Mesa College's MSI initiatives.

Please join us in welcoming Leland Simpliciano in his new role.

Catalyst Registration Reminder

Catalyst 2026 will be our 8th annual Catalyst event. This space was co-created with Mesa colleagues to support our faculty at the start of Spring Flex Week. [Click here](#) to sign up for a class.

HIGHLIGHTS FROM FALL 2025 SEMESTER

Noche De Familia
Students invited their familias to campus to meet the Puente team, Puente alumni, campus administrators, and community mentors. 10/09/2025

Las Cafeteras @ UCSD
Students & mentors went to UCSD & saw the performance of Las Cafeteras: Hasta La Muerte is a work that embraces the power of storytelling, as a form of processing grief, and sharing love with those in the beyond. Love, not sadness, allows us to celebrate and remember those that have gone and remember that "death is not the end, it is just the beginning." 10/18/25

Poetry Reading & Writing Workshop with Donato Martinez
Author: Donato Martinez read and performed spoken word from his book, *Touch the Sky*. He then led students to write and read their own poetry. 10/22/2025

FEATURED STUDENT WORK

The house is full, but some days it feels like, no one's home.
Mom leaves before the sun and Dad gets back after it forgets us. I hear their footsteps only in memories and early mornings.
They work so hard that I barely see them and I'm not mad,

just tired of missing people who still live here.
But my sisters, they stay. Loud and annoying and everywhere. They fight me, tease me,
My dog curls up by the door like he's guarding what's left of our childhood. He doesn't speak,

but somehow He understands more than mo
This house isn't quiet it's just waiting. Waiting for more time, for more hugs, for parents who aren't always too tired to talk.
Until then, I hold on to the ones who stay The ones who are here even when they don't know I need them.

The Accounts Payable team at the District Office is excited to share that the District is implementing new invoice-processing software to improve efficiency, accuracy, and document security.

Beginning January 12, 2026, Accounts Payable will use a technology, Brainware OCR and Perceptive Content, to electronically capture invoice data and manage supporting documents. This change will significantly reduce manual data entry and streamline invoice processing.

What You Need To Know

- All invoices must be submitted to APinvoice@sdccd.edu, which is stated on all purchase orders
- Invoices must follow the new submission requirements outlined in the attached Accounts Payable Invoice Submission Guidelines
- Only invoices should be sent to this inbox
 - Questions and inquiries should be directed to APinquiry@sdccd.edu
- This process **does not apply** to Payment Requests, Travel, or interface files (e.g., Payroll, Financial Aid, Bookstore)

[Please review the attached guidelines carefully](#), as invoices that do not meet the requirements may be delayed. Thank you for reviewing this information so you are aware of the new process and can help direct suppliers if questions arise during the District's rollout.

Adobe Post Migration Email

District Information Technology Services has announced the successful migration of your employee Adobe account to the district's new Adobe platform.

What do I need to do?

- To activate your new license, please **log out** of any open Adobe applications.
- **Restart** your computer and log back into Adobe by relaunching an Adobe application or the Creative Cloud Manager icon on your desktop.
- **Your district email address** and **password** will be used for this login. If presented with the choice of "personal" or "company or school,"
- Please choose **"company or school."**

Important Additional Information

If your job function requires additional Adobe Software that you do not have access to on this new platform:

A Service Desk request with your supervisor's approval will be necessary: [Request Additional Adobe Software](#).

Once approved, you will be able to install your approved software from the Adobe Creative Cloud icon on your desktop.

If you have any issues or questions, please feel free to contact the service desk by email at itservicedesk@sdccd.edu or 619-388-7000.

RSVP TODAY FOR
C-CERT TRAINING
CAMPUS COMMUNITY EMERGENCY RESPONSE TEAM

We are excited to invite you to our upcoming C-CERT Training taking place January 26-28th from 8:00 a.m. to 3:00 p.m.

This training will equip you with essential skills and knowledge to effectively respond to emergencies and disasters on campus. As a member of C-CERT, your role is crucial in preparing, organizing, and collaborating as a team during and after emergencies. C-CERT members strengthen campus resiliency and play a vital role in emergency response efforts. Review flyer for all the details of this training.

Join us in enhancing campus safety and preparedness by registering for this important training. Your commitment to the C-CERT is invaluable, and we look forward to having you on the team.

For this Academy there will be a limit of approximately 15 people. You will receive a confirmation email from Matt Fay that you have been added to the training list. **You must be available for all three days of training.**

To register, please click [here](#).

To help us maintain a safe, clean, and fully operational campus, please remember that all requests for Facilities support should be submitted through the [Facilities Work Order System](#). This system ensures your request is routed to the correct team and allows us to track progress and response times.

You may submit a work order for issues such as:

- Elevator outages
- Water leaks or plumbing concerns
- Broken glass or damaged fixtures
- Cleaning needs (urgent or routine)
- Heating/cooling concerns
- Lighting or electrical issues
- General repairs or maintenance

Thank you for helping us keep our campus environment safe and welcoming. If you have questions about the process, please feel free to contact the Facilities Services at 619.388.2814.

RSVP TODAY FOR
ALICE TRAINING
Active Shooter Training & Preparedness

As part of our ongoing commitment to campus safety and preparedness, we have scheduled a series of safety trainings and events for 2026. All employees are encouraged to attend at least one ALICE training during the year. Each ALICE session will focus on situational awareness, response options in an active threat situation, and practical strategies to increase personal and community safety on campus.

Personalized ALICE Trainings for Buildings

Building Managers may also request a customized, building-specific ALICE training for their area. To schedule a session tailored to your building's layout and needs, please contact: Sgt. Mark Green (mgreen@sdccd.edu)

OFFICE OF *Institutional Effectiveness*

We are pleased to announce that Adriana Caetano Fournier will serve as Acting Associate Dean of Institutional Research at San Diego Mesa College while Nancy Cortes is on maternity leave.

Adriana’s journey at Mesa began as a student, where she discovered her passion for supporting student success. She later earned an M.S. in Computer Science from CSU San Marcos and currently serves as Computer Science faculty at MiraCosta College. Since returning to Mesa College in 2023 as a Research Assistant and later as a Research and Planning Analyst, Adriana has supported key HSI and AANAPISI initiatives and led the transition to equity-centered data dashboards that expand campus access to information.

Adriana looks forward to supporting the Institutional Effectiveness Office during this time. Please join us in welcoming her to this new role.

IE Office Hours – A Dedicated Time to Think Through Your Data Together

The Institutional Effectiveness (IE) Office is launching weekly Office Hours to serve as a partner for your data questions and ideas. Whether you’re exploring data for program review or accreditation, thinking through how to use our dashboards, or simply trying to make sense of what the data is telling you, we welcome the opportunity to work alongside you. During the Spring semester, **from January 20 (Flex Week) through June 1**, we will pilot these new office hours. Join us **Tuesdays from 12:30–1:30 p.m.** in the IE Office (A-109). We have a conference room for collaborative conversations—and yes, there’s coffee too!

We look forward to being your data thought partner.

The Office of Institutional Effectiveness is excited to announce the launch of the redesigned [Transfer Volume Dashboard](#), an interactive tool that provides a comprehensive view of Mesa College students who successfully transferred to four-year universities using the Student-Centered Funding Formula (SCFF) methodology.

This dashboard allows users to:

Explore annual transfer trends, top university destinations, and common majors pursued by Mesa transfer students.

Examine efficiency metrics, including time to transfer and units earned.

Analyze equity gaps to understand whether transfer outcomes are proportional across student populations.

These insights support institutional planning, illuminate key student pathways, and help the college strengthen strategies that promote equitable and timely transfer for all students.

You can access the Transfer Volume Dashboard [here](#)

. Note: Access requires SDCCD Single-Sign-On credentials. If you are logged in and cannot access the dashboard, please follow this [instructions](#).

To schedule a demo, ask questions, or provide feedback, please contact acaetanofournier@sdccd.edu and ncortes@sdccd.edu.
