<sup>i</sup> Applicants may apply for both scholarships (academic and needs-based) through MLSA, but will only qualify to receive one of the scholarships, not both.

<sup>ii</sup> Recipients of the needs based scholarship do not also qualify for the academic scholarship, though they may apply for both.

<sup>iii</sup> Applicants that receive the early payment bonus may receive one (academic or needs-based) scholarship, but not both.

<sup>iv</sup> Students who recruit a family member do not also get the bonus for recruiting a friend. One recruitment bonus per person recruited applies.

<sup>v</sup> Cannot be combined with the “recruit a family member” bonus for the same recruit. The bonus is applicable for each recruit from another college who ultimately participates in the program. If the recruit does not ultimately participate in the program, the bonus is revoked.

<sup>vi</sup> Cannot be combined with the “recruit a friend bonus” for the same recruit. If the “family member” recruited does not ultimately participate in the program, the bonus is revoked.

<sup>vii</sup> Second year participants do not qualify for the early payment bonus, but do qualify for the recruitment bonuses. Second year participants are eligible to receive only one of the two scholarships offered.
