## 10. EXPERIMENTAL SITE INITIATIVE

---

Effective as of the 2012-2013 school year, San Diego Mesa College (along with Miramar College and City College) have been approved by the U.S. Department of Education to participate in an experimental initiative regarding "Over-borrowing" that allows our college to reduce or eliminate Unsubsidized Loan eligibility and borrowing for certain groups or categories of students.

### **THE FOLLOWING GROUPS OR CATEGORIES OF STUDENTS WILL NOT BE ELIGIBLE TO BORROW UNSUBSIDIZED LOANS:**

#### **1. FIRST (1<sup>st</sup>) YEAR STUDENTS**

- 1st year is defined as students who have completed less than 30 units in their current program of study based on their current official Academic Plan.
- Units that will be counted towards the 30 units will be units that fulfill the major, general education and district requirements for the current program or major based on the Academic Plan.
- Units that will not be counted towards the 30 units are units that are basic skills or remedial, ESOL, electives or any other units that are not applicable to the current program or major based on the Academic Plan.

#### **2. STUDENTS APPROVED ON APPEAL**

- Students who have an "Unsatisfactory" status for any reason and who are approved on appeal will not be eligible for an Unsubsidized Loan.

#### **EXCEPTIONS:**
