Your 2021-2022 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U. S. Department of Education because you received Federal Pell Grant funds and/or Federal Direct Loans at multiple education institutions during the academic years 2017-18, 2018-19, 2019-20 and 2020-21. This flag requires San Diego Mesa College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, **San Diego Mesa College** will access your record with the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance to compare with the information provided on this form. If you have questions, contact us promptly so your financial aid eligibility review will not be further delayed.
