

2021-2022 Verification of Identity and Statement of Education (MSTED-#G3)

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) or California Dream Act Application was selected for review in a process called verification. The law says that before awarding Federal/State Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA/California Dream Act Application. To verify that you provided correct information we will compare your FAFSA/California Dream Act Application with the information on this worksheet and with any other required documents. If there are differences, your FAFSA or California Dream Act Application information may need to be corrected. You must complete and sign this worksheet in BLUE PEN ONLY, attach any required documents, and submit the form and other required documents to the financial aid office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
