

Good afternoon San Diego Mesa College,

The Office of Recruitment, Admissions and Programming would like to share some excited news with you and your students regarding our transfer process and scholarship opportunities for Fall 2022 enrollment. Applicants desiring to transfer to Dillard University with advanced standing must submit the following credentials:

- Application for admission ([Apply](#))
- \$36.00 application fee (Students who apply by **Friday, May 20th** will be granted an application fee waiver)
- Official transcript (s) from **ALL** accredited institutions of collegiate rank attended.
- Completed FAFSA for semester of interest (002004 Dillard ™s code)

The university evaluates the transcripts of transfer applicants in accordance with its own courses of study and requirements for graduation. The timeline for this process is determined by the receipt of **ALL** collegiate course work, current to date.

Transfer students that have 24 transferrable credit hours or less must submit their high school transcripts and ACT/SAT scores along with all collegiate coursework. They must be in good academic standing from their previous institution. Students who are under suspension from another institution are not eligible for admission. Students who have obtained at least a 2.0 cumulative gpa from their last college attended qualify for admission and an academic scholarship. Please note that Dillard does not accept more than 60 transferrable credit hours.

**Applicants that have previously attended Dillard University and have additional transferrable course work are considered readmits with transfer work.*

Below are our academic transfer scholarships. Please share this information with any interested students you may encounter. In addition to our traditional day program, we offer an [Evening Program](#). Please contact Ms. Debra Lindsey via email at dlindsey@dillard.edu for additional information about the Evening Program at Dillard University. If you would like to share your spring graduate list with us, please feel free to do so as we can reach out to the students directly about continuing their educational journey at Dillard University.
