ACS Mesa College Chemistry club	ACS Mesa College ChemClub is a student chapter of the American Chemical Society (ACS). This is a student run organization where students learn to lead, organize and manage a club. Our mission is to promote Chemistry and Science within our student body and community in an inclusive and equity-minded environment. Moreover, our club provides the intellectual stimulation arising from interacting with professionals in the scientific community, and fosters an awareness of the responsibilities and challenges of the modern chemist.	mesacollegechemclub@gmail.com	Synthia Chang	schang001@sdccd.edu
APD Club	Providing a safe space for the Asian, Asian American, and Pacific islander populations and AAPI allies at San Diego Mesa College.	20.apdiversity@gmail.com	Patricia (Trish) Guevarra	pguevarra001@gmail.com
Honors Club	The Honors Club is dedicated to fostering academic excellence, intellectual curiosity, and meaningful community engagement. We empower students to think critically, lead confidently, and serve purposefully while building a supportive network of scholars committed to growth and impact. Through service projects, campus collaborations, research presentations, social events, and study jams, we extend our learning beyond the classroom while strengthening connections within our community. We believe scholarship is not only about achievement, but about supporting one another, uplifting others, and creating spaces where academic success and belonging go hand in hand.	sdmesahonorsclub@gmail.com	Dante Jones	djones@sdccd.edu
M.E.Ch.A- Movimiento Estudiantil Chicanx de Aztlán	M.E.C.H.As mission statement is eradicating systemic prejudice against Chicanx and Latinx communities. We push for higher education for our communities, as well as educate and participate in social justice. We strive to teach about different Latinx cultures and participate in community events, volunteering or not. In this current administration we are actively pushing against ICE and will make a change and keep people informed and safe.	Mechasdmesacollege@proton.me	Gabriela Kovats Sánchez	akovats@sdccd.edu

Club Name	*Club Mission Statement*	*Club Email*	*Advisor*	*Advisor Email*
Pre-Health Club	Mesa Pre-Health club aims to provide and guide students who are interested in the medical field or pursing a job in the medical field. The Pre-Health club plans to provide students with the opportunity to become BLS/CPR certified, gain medical related volunteering hours, and future internships at lab research and hospitals for more hands- on experience. The club also plans on guiding students by studying, career pathway, and have professional guess speaker to educate more students about the medical field.	mesapremedicalclub@gamil.com	Tracy Penrod	tpenrod@sdccd.edu
Psi Beta	We aim to grow and connect the psychology department (students and faculty) at Mesa College to foster a community that values inclusivity, openness, and support.	jestep@sdccd.edu	Justin Estep	jestep@sdccd.edu
San Diego Mesa College Computer Science Club	We, the members of the computer science club are committed to providing a supportive educational environment, enriching activities, and leadership opportunities to students who are studying or interested in computer science or related fields.	mesacsclub@gmail.com	James Gappy	jgappy@sdccd.edu
San Diego Mesa College Pre-Law Club	San Diego Mesa College Law Club is a student-led community for those interested in exploring the legal field and pursuing careers in law. We create opportunities for students to connect, learn, develop valuable skills, and gain insight to law school and future careers.	mesaprelawclub@gmail.com	Wendy Smith	wsmith@sdccd.edu
San Diego Mesa College SWE Club	The San Diego Mesa SWE (Society of Women Engineers) Club empowers and supports women and allies pursuing degrees in engineering and technology. It's goal is to create a welcoming and supportive community to foster academic and professional success. Joining this club offers opportunities for engaging with the Mesa College community and with the local and international SWE community, which includes professional and collegiate branches. Students learn how to better navigate their college and professional careers through workshops and mentorship opportunities. Additionally, attending club events can offer students opportunities to network with professionals, SWE organization leaders, and fellow SWE collegiate members. This club welcomes membership and participation of students of all genders and fields of study.	swesdmesa@gmail.com	Jennifer Snyder	jlsnyder@sdccd.edu

San Diego Mesa Engineering Club	To provide students with hands-on project experience, professional opportunities, and an inclusive community to learn, collaborate, and grow together.	sdmesaengineeringclub@gmail.com	Jennifer Snyder	jlsnyder@sdccd.edu
San Diego Mesa Students for Justice in Palestine	[The San Diego Mesa College chapter of Students for Justice in Palestine aims] to bring awareness and education about the Palestinian fight for freedom and liberation at an accessible level to all students, providing opportunities for visibility of Palestinian issues on campus. Through our organizing and community building, we aim to aid in the improvement of material conditions of families and individuals affected firsthand by the escalation of the current genocide.	sjpmesa01@gmail.com	Jennifer Frost Moreno	jmoreno@sdccd.edu
San Diego Mesa Zine Club	The Zine Club is a creative haven for students passionate about self-expression through the art of self-published zines. Our mission is to empower members to explore and grow their creativity, whether through hands-on techniques or digital design tools, in a supportive and collaborative space where ideas can flourish freely. We aim to help members refine their skills and work toward creating unique, sellable zines, culminating in a Zine Fest where they can showcase their work and share their voices with the broader community.	sdmesazineclub@gmail.com	Gabriel Adona	gadona@sdccd.edu
SD Mesa Puente Club	Section 1: This year's Puente Club (2026-27) is dedicated to career navigating and exploration through community service in related fields of interest members may have. We also offer mentorships with career professionals and showcase Puente members' interests for campus display. Most of our Latino/a/x community doesn't have the luxury to indulge in multiple interests while in school, time is limited and we understand that. For those still searching or who want to showcase your strengths to inspire others, we welcome you to the Puente Club. We're here to enhance your experience at Mesa college for everyone including our Latino/a/x community!	puenteclubsdmesa@gmail.com	Patty Rodriguez	prodriguez001@sdccd.edu

Social Justice Club	The Social Justice Club is a space for students to put sociological concepts and theories into practice. We will provide events where students can discuss how social structures influence our day-to-day lives in both positive and negative ways. Students will be given opportunities to participate in research projects that have real world applications and to build on the work they do in courses. We will also offer networking events related to movement organizing, including the use of art in movement building, unionizing work spaces, or participating in electoral politics	rxu@student.sdccd.edu	Erin Evans	eevans@sdccd.edu
Spanish Club	Spanish Club seeks to create an environment where all people are welcome in the celebration of diverse Spanish speaking countries and cultures from around the world. We will achieve this through fun engaging activities, cultural exploration, and community connection. We hope to build a community where students can practice language skills and create global awareness that allows students to maneuver in culturally diverse spaces.	spanishclubmesacollege@gmail.com	Dora Schoenbrun-Fernandez	dschoenb@sdccd.edu
Student Veteran Organization (SVO)	The Student Veteran Organization is dedicated to building a strong and supportive community on and off campus that empowers its members to succeed academically, professionally, and personally. Through peer mentorship, guidance, leadership, service, and community connections, we foster an environment and legacy where every member can thrive throughout their educational journey and beyond.	sdmesasvoclub@gmail.com	Destiny Castaneda	dcastaneda001@sdccd.edu
The San Diego Mesa College Mathematics Club	The San Diego Mesa College Mathematics Club exists to introduce students to the beautiful world of pure mathematics. The Club will create an inclusive and welcoming environment for students of all demographics and backgrounds (for more on this see Article IX), as well as comfort levels with mathematics. The Club will present students with the subjects of advanced mathematics that they will come across in their upper-division courses.	sdmesamathclub@outlook.com	Kelly Spoon	kspoon@sdccd.edu
