6. Reports

President Palomino: Announced new P-CAB members: Tanya Piliago, Alexis Han, and Tonya Trusova.

Alina: Will be attending SSCCC General Assembly in late March. Alina and Jeremiah were sponsored by SSCCC, not Mesa College, and will be voting on different resolutions. She was unable to attend the Fine Arts Committee meeting due to scheduling conflicts.

Maximus: Reported on a picnic at Kate Sessions Park with different club leaders. Asked about the Jumpstart event and where it will be held.

Vicki G: Asked about ASG stickers and how to communicate the benefits of having an ASG sticker to students.

Victoria: Shared that students can receive a scantron with the sticker, as other giveaway items have already been distributed.

Sage: Reported that the ICC Picnic was held last Saturday. Another club event is currently being planned. Clubs are also planning to speak with ASG about Club Match funding.

Victoria: Announced a CDAIE meeting on Friday from 9:00 a.m. to 11:00 a.m. Cultural Unity Week will take place in April. ASG typically participates in Random Acts of Kindness events. Senators who need projects could take this on. Jay and Vicky sent out a form for campus events that can be funded by AS for up to \$300. Members should brainstorm AS sticker prizes and items that could be given to students. Jay will present ideas for prizes at next week's meeting. Members should share prize ideas with Joanna.

7. Discussion Items

1. *Student Leadership and Advocacy Week*

Victoria: Announced that the event will take place from March 23rd to 27th. The week encourages students to apply for Associated Students and informs them about what AS is and what it does. Students who want to apply for AS in the fall must submit their application during the spring.

Joanna: Suggested giving out fruit cups while promoting fall AS applications.

Victoria: Clarified that food does not come out of programming funds. Asked members what would help students learn more about Associated Students.

Max: Suggested creating a “trail mix trail,” where students visit different stations to collect items for trail mix. Each building would provide a different item and information about AS.

Nicole: Suggested placing the trail mix tables near the SB building.

Miranda: Mentioned that someone previously brought boba to campus and suggested that AS could do something similar.

Joanna: Noted that friendship bracelets were popular in the past.
