2024 Commencement Speaker

David Weiss

David is from Los Angeles, CA, and chose to attend San Diego Mesa College after a life marked by difficulties and barriers. In high school, David was intrigued by band class, and often listened in from outside the door. While attending a therapy session a few years ago, his therapist gave him a challenge - to graduate from college. David accepted the challenge, and enrolled at Mesa to begin studying music, and exploring his passion. Music Department tutors and professors encouraged him to enroll in Basic Musicianship, learn to play the guitar, and begin to play with others. Subsequently, he joined the Mesa Guitar Ensemble and Vocal courses. Today, he is graduating with an Associate of Arts Degree in Music Studies. After graduation, he plans to continue working on his musical performance skills with a goal of attending San Diego State University in the fall of 2025.

Mesa College Valedictorians and Honors Programs and Societies

Student valedictorians have achieved a 4.0 grade point average (GPA). Students graduating with honors have attained a GPA of 3.5 or above. The San Diego Mesa College Honors Program encourages the cultivation of curiosity through the exploration of ideas and subjects beyond customary coursework and programs. Eligible, highly motivated students work closely with faculty to design and fulfill specialized contracts, providing them with the opportunity to engage in intellectually challenging projects and thrive in an enthusiastic learning environment.

Phi Theta Kappa (ΦΘΚ)

is an international honor society, which offers recognition for academic excellence. Eligible students must have completed a minimum of 12 semester units with a GPA of 3.50 or higher.

Psi Beta (Ψβ)

is a national honor society for students enrolled in or majoring in psychology. Qualifications: completion of at least 12 semester units, with one course in psychology, a "B" average in all psychology courses, and ranking in the top 35% or cumulative GPA of 3.00.

Delta Alpha Pi (ΔΑΠΙ)

is an international honor society, founded to recognize high-achieving students with disabilities. Eligible students must have a minimum of 24 semester units with a GPA of 3.1 or higher.

The Academic Attire

San Diego Mesa College's commencement ceremony continues the centuries-old tradition of wearing distinctive academic dress. You will see these traditions represented in the caps and

robes of the graduating students, the stage party, and the faculty of San Diego Mesa College who hold advanced degrees from institutions across the nation and the world.

Cords, Caps, Gowns and Hoods

Black gowns are the standard for Mesa College students receiving associate degrees and certificates. Students wear sashes that signify degree programs, affiliations, honors designations, and cultural heritage and pride. The mortarboard, or "Oxford Cap," is also worn, with tassels indicating honors.

Blue gowns with a gold yoke indicate graduates receiving a baccalaureate degree in Health Information Management (HIM).

Blue gowns indicate graduates receiving an associate degree who have achieved a GPA of 4.00 and are distinguished valedictorians.

Gold cords indicate graduates receiving an associate degree with honors (GPA of 3.5 or higher).

White cords indicate graduates receiving a certificate of achievement with honors (GPA of 3.5 or higher).

Distinctive and colorful hoods most readily identify graduate-level degrees: the Master's hood is 40 inches long and the Doctor's is 48 inches long. The colorful lining of the hood is of silk and depicts the colors of the university or college that conferred the wearer's degrees.

The hoods are trimmed in velvet panels and their colors represent different subjects:

Arts, Letters, Humanities.....	White
Business.....	Drab
Education.....	Light Blue
Fine Arts, Literature.....	White
Home Economics.....	Maroon
Law.....	Purple
Library Science.....	Lemon
Medicine.....	Green
Music.....	Pink
Public Administration.....	Peacock Blue
Science.....	Golden Yellow
Theology.....	Scarlet

You will see these traditions represented in the caps and robes of the graduating students, the stage party, and the faculty of San Diego Mesa College who hold advanced degrees from institutions across the nation and the world.
